

2016-2017 Uniforms

For the coming school year, we will utilize Lands' End School Uniforms as our supplier. You may continue to wear Sunshine Uniform Wear items for this year only, to allow you one more year of use out of the items you have already purchased and thereby honoring the 3-year commitment that we made on your behalf. Beginning with the 2017-2018 year, Lands' End will serve as our exclusive provider. Be reminded that for students in K4-12th grade, polos from other companies (with or without the CCS logo) will **not** be permitted. You may continue to purchase uniform-style bottoms from the store of your choosing, as long as they conform to the CCS dress code.

Capri or Crop Pants ✓

Capri pants are cropped between the knee and mid-calf. Crop style is very similar to capri, but cropped lower on the leg, usually between the mid-calf and ankle.

Classic Fit ✓

This style is considered the “middle of the road” or “average fit.” Classic fit pants fall in between relaxed fit and slim fit.

Relaxed Fit ✓

Relaxed fit pants and jeans are cut to provide extra room in the seat and thigh. This style is roomier than classic fit.

Jeggings ⓧ

Jeggings are either form-fitting leggings made to look like skin-tight jeans or extra-skinny jeans made of stretch denim. Jeggings are the slimmest-fitting pants available and offer a true skin-tight fit. Many have faux pockets, although some do have functional pockets and zippers.

Joggers ⓧ

Joggers are a slim cut fit, with elastic cuffs at the ankle.

Cargo ⓧ

Cargo pants are a more relaxed fit pant, with pockets on the side.
