

Financial Aid Application

Academic Year 2016-2017

STUDENT FINANCIAL AID PHILOSOPHY AND REQUIREMENTS: Community Christian School provides financial aid to assist financially deserving students--to bridge the gap between annual cost of tuition and what a family can realistically afford. Families should seek financial aid from Community Christian School only if they can clearly demonstrate financial need and only after the family has carefully determined that their realistic annual contribution will not cover the cost of tuition.

FINANCIAL AID APPLICATION: The financial aid application considers all financial data from the family, including income, assets, expenses, and items such as automobiles owned, whether both parents work, and what the family states as the maximum contribution they can make toward tuition on an annual basis. Families applying for financial aid must be as honest and forthright as possible when they state the amount that they can contribute to their student's annual educational costs. A partnership between the school and the family works best when the family makes a contribution toward the tuition costs each year.

Please complete the application in its entirety and return it to the Community Christian School Office. Please include all of the required supporting material.

Incomplete applications will not be considered.

If you have questions please call or email Judy Staskowski, CCS Finance Director, at (941) 625-8977 or judy@lovingfamilies.us

Step up for Students Scholarship No Yes

The McKay Scholarship No Yes

Statement

Please write a brief statement explaining your situation and/or any extenuating circumstances (i.e., illness, supporting elderly parent, job layoff, etc.). Please attach an extra page if needed.

MONTHLY CONTRIBUTION

Based on the information, our family can contribute the following amount to CCS on a monthly basis \$ _____

TERMS AND CONDITIONS OF FINANCIAL AID AWARD: Recipients (student and parents) of a financial aid award at Community Christian School (CCS) must agree to the following terms and conditions. The violation of these terms and conditions is grounds for immediate revocation and termination of the financial aid award. CCS reserves the right to revoke a financial aid award during the current semester in which a violation may occur and the full cost of tuition of that and future semesters will be the responsibility of the family.

1. A family may apply for and receive a financial aid award only if they genuinely require the financial subsidy in order to make student enrollment possible. The statement provided by the family regarding the maximum contribution the family can make on an annual basis must be a true and fair statement of contribution.
2. Financial awards are made on an annual basis; a new financial aid application and supporting documentation must be submitted by the appropriate deadlines each subsequent year. Every effort is made to keep financial aid awards comparable from year to year, provided that the family financial status does not vary significantly in subsequent years. Failure to reapply by the established deadlines or to complete the financial aid application in its entirety can result in the non-renewal of the financial aid award.
3. If during the course of any academic year the family’s financial situation changes and the strength of the family’s financial status significantly increases, and the financial need decreases, the family must notify the financial aid office that they may have a greater ability to contribute toward the tuition at CCS.
4. Failure to pay all tuition and fee balances owed (including any additional fees as required) on a timely basis may result in the forfeiture of the financial aid award for all subsequent semesters.

Parent Signature and affirmation:

My signature indicates that I/we agree to abide by all the required conditions and policies and that all of the information I/we provided is accurate and true.
